We moved here since you left last fall. But we are to serve you real food. It won't be necessary for you to "hash it out" till you go home as you told your folks.

You've heard of southern cooking. Probably you've never tried it out. That is the way we cook. We are right on your way to the University.

SCENIC HIGHWAY IS DEDICATED

Is 4,500 Miles Long and Connects Eleven National Parks.

DENVER, Colo., Aug. 25.—The world's longest continuous auto scenic highway—4,500 miles—connecting eleven national parks and traversing nine western states, was dedicated here today to all America by Stephen T. Mather, director of the National Park Service, and officials of the National Park-to-Park Highway Association.

The simple ceremonies consisted of "a world challenge to compete with the enchanting wonders contained in the federal recreational areas," which lure the traveler to snow-capped heights. The dedication here was marked with the opening of a publicity tour by federal, state and city officials, including Director Mather. The days of old prairie schooner travel were wiped out forever in the caravan of 25 automobiles that carried the official party in comfort on the circle swing that will require 60 days to complete. It also heralded a new era in which every man, woman

and child in the country is given a share in the hospitality of the great West.

The park-to-park highway, laid out by A. L. Westgard, scout for the American Automobile Association, reaches the Rocky Mountain National Park in Colorado, Yellowstone Park in Wyoming, Glacier Park in Montana, Mount Rainier Park in Washington, Crater Lake Park, Oregon; Lassen Volcanic park, Yosemite, General Grant and Roosevelt Parks in California, the Grand Canyon in Arizona, and Mesa Verde Park in southwestern Colorado.

AT THE THEATERS

COLUMBIA—Tonight and Thursday: Maurice Tourneur has made a picture from Joseph Conrad's story of the sea, "Victory," which will be the attraction at the Columbia Theater for the next two days. In the cast are Jack Holt, Wallace Beery, Lon Chaney, who created the part of "The Frog" in "The Miracle Man," Seena Owens and many others.

It is a story of the clash of fighting men over gold and a woman's love. The salty tang of wind and wave and the magic of tropic seas. A struggle to the death in lawless lands where brawn is king and blood runs red. There will also be

shown a Bray Comic and Topics of the Day.
